

The evil wizard,
Uncaptured Corrine
and prince
is, and her in
ground
while he
the land
called
Fear

Stops his head the help
of his hand, old the
wizard, Agrava in
Underlead, who knows
of Unacum's
it is, many and some of
its secrets.

Aggravain takes
storm to the
western edge of
the land and
shows him the
ruined abbey's
window which
looks over
another dimension
of strange
portions.

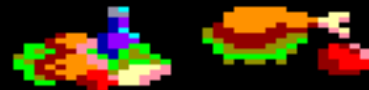

'Una's abode lies
beneath the
abbey,' explained
Agrava in. 'You
can see it
through the
floorboards over
here.'

They spend a few
days studying the
activity below the
ground so that
the defences
could be
assessed.

It is decided
that Agrava in
will go alone as
he is more
experienced in
matters of magic.

Generators
produce monsters
they may be
temporarily
removed by
shooting them or
by casting mask
magic.

Food may be eaten
to increase life
points.

Energy bottles
contain
restorative
fluid.

Collect three
snake broaches to
open the door to
the wizards
laboratory.

Use amulets or
scrolls to
destroy all
monsters.
