SUPER TANK

Manual

RD-2 Jackson Road (609)268-8044 Vincentown, NJ 08088

1) How to play

1) Your tank moves in all directions, even backwards.
2) Score points by wiping out green mines.
3) Score more points by eliminating red tanks.
4) Score bonus by wiping out last mine on screen.
5) Score super bonus with direct hit on nozzle of Super Tank.
6) Diamonds of super armor will protect you briefly.
7) Each new screen presents greater challenges and scores.
8) You get an additional tank at 15.000 points.
9) Match skill with a friend by playing simultaneously.

2) Game adjustment

The coin control has to be set to work in intervals.
In case the mechanism has been moved too slowly by
hand, the coin control input on the board will be
blocked. In order to reactivate it, the machine has to
be switched off and on again.
