## THE LEGEND CONTINUES...

The two greatest martial arts heroes of all time are back — in an all-new adventure, with awesome new moves, impossible new missions, and a hair-raising new cast of enemies!

Marian, a beautiful policewoman, is a student of Kung Fu and part-time assistant instructor at the martial arts training school run by Billy and Jimmy Lee. A narcotics investigator, she has disappeared while attempting to infiltrate the ruthless criminal mob known as the Black Shadow Warriors.

It will take all of your incomparable fighting skill and knowledge to find and rescue Marian. Alone, or with the help of your brother, you must face the fearsome onslaught of the Shadow Warriors with the fabled power and ferocity of the DOUBLE DRAGON!

## CAST OF CHARACTERS

**Billy Lee:** One-half of the Double Dragons, he began to learn the martial arts at the age of 12. He completed his art form of So-Setsu-Ken at the age of 20. He and his brother have a training school in Los Angeles where they teach the art form of So-Setsu-Ken.

**Jimmy Lee:** The other half of the Double Dragons, he is Billy's older brother. He is the master of the martial art forms and the training school.

## ENEMIES

You enter the casino with a grand background of a night view of Las Vegas. Take the elevator to the top floor where you meet the Boss of the casino, Steve. After fighting Steve, you can continue to the next mission.

## MISSION 2: THE AIRPORT

This mission begins in the lobby of the Airport. As you move through the lobby, you'll find a door to go through. Make your way downstairs while fighting with the enemies. Eventually, this takes you outside onto the runway of the airport. It is here that you meet the Boss of this mission, Jackson. Defeat Jackson, and then move on to the next mission.

### MISSION 3: CHINATOWN

You begin this mission on the streets of Chinatown, in the shopping district. From here, you enter a Kung-Fu training school gymnasium. Go upstairs to the 3rd floor, and there you must fight the two Chin Brothers. As the fight progresses, the Chins run away to the balcony. There, you defeat the Chins and proceed to the next mission.

### MISSION 4: GOLDEN GATE BRIDGE

Here, you find yourself on a trailer, where many enemies wait. The trailer goes through a residential district, a forest, over a bridge, more residential, and then the trailer collides with the side of a large building. After falling down to the street, you begin to fight with the Boss, McGuire. As this is happening, the gangsters of the Shadow Warriors are watching. In this scene, however, you will not be able to beat McGuire, and the mission will end.
