PRECAUTIONS

This disc contains game software for the PSP® (PlayStation®Portable) system. Never use this disc on any other system, as it could damage it. Read the PSP® system Instruction Manual carefully to ensure correct usage. Do not leave the disc near heat sources or in direct sunlight or excessive moisture. Do not use cracked or deformed discs or discs that have been repaired with adhesives as this could lead to malfunction.

Push down one side of the disc as shown and gently pull upwards to remove it. Using excess force to remove the disc may result in damage.

Place the disc as shown, gently pressing downwards until it clicks into place. Storing the disc incorrectly may result in damage.

HEALTH WARNING

Always play in a well lit environment. Take regular breaks, 15 minutes every hour. Avoid playing when tired or suffering from lack of sleep. Some individuals are sensitive to flashing or flickering lights or geometric shapes and patterns, may have an undetected epileptic condition and may experience epileptic seizures when watching television or playing videogames. Consult your doctor before playing videogames if you have an epileptic condition and immediately should you experience any of the following symptoms whilst playing: dizziness, altered vision, muscle twitching, other involuntary movement, loss of awareness, confusion and/or convulsions.

PIRACY

The PSP® system and this disc contain technical protection mechanisms designed to prevent the unauthorised reproduction of the copyright works present on the disc. The unauthorised use of registered trademarks or the unauthorised reproduction of copyright works by circumventing these mechanisms or otherwise is prohibited by law.

If you have any information about pirate product or methods used to circumvent our technical protection measures please email anti-piracy@eu.playstation.com or call your local Customer Service number given at the back of this manual.

SYSTEM SOFTWARE UPDATES

This PSP® (PlayStation®Portable) Game includes System Software update data for the PSP® system. An update will be required if an "update request" message is displayed on-screen at game start-up.

Performing a System Software update

The update data is displayed with the icon shown here on the Home Menu.

By following the on-screen instructions, you can update the System Software of the PSP® system. Before performing the update, check the version number of the update data.

- During an update, do not remove the AC Adaptor.
- During an update, do not turn off the power or remove the PSP®Game.
- Do not cancel the update before completion as this may cause damage to the PSP® system.

Checking that the update was successful

Select "Settings" from the Home Menu, and then select the "System Settings" option. Select "System Information" and if the "System Software" version number displayed on-screen matches the version number of the update data, then the update was successful.

For details on System Software updates for the PSP® system, refer to the following website: yourpsp.com

PARENTAL CONTROL

This PSP®Game software has a preset Parental Control Level based on its content. You can set the Parental Control Level on the PSP® system to restrict the playback of a PSP®Game with a Parental Control Level that is higher than the level set on the PSP® system. For more information, please refer to the PSP® system Instruction Manual.

PARENTAL CONTROL LEVEL	AGE GROUP
9	Restricted to 18 and over
7	Not suitable for under 15 unless accompanied by an adult
5	Recommended for mature players
3	Parental guidance recommended
2	General

SETTING UP

Set up the PSP® system according to the instructions in its instruction manual. Turn the PSP® system on and the POWER indicator will light up green. The Home Menu will be displayed. Press the OPEN latch to open the disc cover. Insert the Tekken™: Dark Resurrection disc with the label side facing the rear of the PSP® system and then securely close the disc cover.

Select the  icon from the Home Menu and then select the  icon. A thumbnail image of the software will be displayed. Select the image and press the  button to commence loading.

PLEASE NOTE: the information in this manual was correct at the time of going to print, but some minor changes may have been made late in the product's development. All screenshots for this manual have been taken from the English version of this product, and some screenshots might have been taken from pre-completion screens that differ slightly from those in the finished product.

MEMORY-STICK DUO™

To save game settings and progress, insert a Memory Stick Duo™ into the Memory Stick Duo™ slot of the PSP® system. Saved game data can be loaded from the same Memory Stick Duo™ or any Memory Stick Duo™ containing previously saved Tekken™: Dark Resurrection data. Make sure there is enough free space on the Memory Stick Duo™ before commencing play.

The minimum amount of free space required to save Tekken™: Dark Resurrection data will vary depending on the capacity of the Memory Stick Duo™ inserted.

The minimum amount of free space required for different capacity official Memory Stick Duo™ products is listed below:

32MB – 128MB = 128KB

256MB – 2GB = 224KB

WIRELESS (WLAN) FEATURES

Software titles that support Wireless (WLAN) functionality allow the user to communicate with other PSP® systems, download data and compete against other users via connection to a Wireless Local Area Network (WLAN).

AD HOC MODE

Ad Hoc Mode is a Wireless (WLAN) feature that allows two or more individual PSP® systems to communicate directly with each other.

GAME SHARING

Some software titles feature Game Sharing facilities which enable the user to share specific game features with other users who do not have a PSP® Game in their PSP® system.

INFRASTRUCTURE MODE

Infrastructure Mode is a Wireless (WLAN) feature that allows the PSP® system to link to a network via a Wireless (WLAN) Access Point (a device used to connect to a Wireless network). In order to access Infrastructure Mode features, several additional items are required, including a subscription to an Internet Service Provider, a network device (e.g. a Wireless ADSL Router), a Wireless (WLAN) Access Point and a PC. For further information and setting up details, please refer to the PSP® system Instruction Manual.

PLEASE NOTE: Tekken™: Dark Resurrection supports Ad Hoc Mode, Game Sharing and Infrastructure Mode. For further details, please see the relevant section of this manual.

DIRECTIONAL BUTTONS - MOVEMENT

In this manual, ↑, ↓, ←, → etc. are used to denote the direction of both the directional buttons and the analog stick unless stated otherwise.

USING MENU SCREENS

GETTING STARTED

If a Memory Stick Duo™ has not been inserted upon start-up, the Memory Stick Duo™ Screen will be displayed. To continue without saving, highlight and select Yes and a short cinematic sequence will be displayed. Press the START button to bypass this sequence and proceed to the Player Name Menu. To save progress, make sure a Memory Stick Duo™ is inserted into the PSP® system before turning it on.

If a Memory Stick Duo™ is inserted upon start-up, a short cinematic sequence will be displayed. Press the START button to bypass this sequence and proceed to the Player Name Menu.

NOTE: if a Memory Stick Duo™ is inserted that contains previously saved Tekken™: Dark Resurrection data, the Mode Select Menu will be displayed after the cinematic sequence.

PLAYER NAME MENU

Press **↑**, **↓**, **←** or **→** to highlight letter characters and numbers and press the **X** button to select a character. Highlight End and press the **X** button when a name has been entered to proceed to the Select Your Area Menu.

SELECT YOUR AREA MENU

Press **↑** or **↓** to highlight Asia, North America, Europe, South America, Africa or Oceania and press the **X** button to confirm.

SET GAME DIFFICULTY MENU

Press **↑** or **↓** to highlight Easy, Medium, Hard, Very Hard or Ultra Hard and press the **X** button to confirm.

NOTE: after selecting the game difficulty, an Auto Save prompt will be displayed. Select Yes to activate the Auto Save feature. Select No to deactivate the Auto Save feature. When the Auto Save feature is active, all progress will be saved automatically. When the Auto Save feature is deactivated, all progress will have to be saved manually through the Options Menu. For further details, please see the Options Menu section of this manual.

Once the Auto Save feature has been turned on or off, a tutorial prompt will be displayed. Select Yes to choose a character and learn the basics of Tekken™: Dark Resurrection. Select No to proceed to the Mode Select Menu.

MODE SELECT MENU

QUICK BATTLE

A Quick Battle is the fastest way to get into a Tekken™: Dark Resurrection match. Press **↑** or **↓** to highlight VS CPU or Team Battle and press the **X** button to confirm.

A VS CPU battle is a one-on-one contest against a computer-controlled opponent. A Team Battle allows up to 8 fighters to challenge up to 8 computer-controlled opponents in a series of one-on-one contests.

CHOOSE YOUR FIGHTER MENU

After selecting a contest, the Choose Your Fighter Menu will be displayed. Press **↑**, **↓**, **←** or **→** to highlight a character and press the **X** button to use that character in the upcoming battle.

STORY BATTLE

Discover why each character has entered The King of Iron Fist Tournament. Each character has a different story to tell and all will be revealed if they manage to win the tournament. Find out how Heihachi lived to fight again, why Lili is inspired by her family and start to unravel the mysterious entity that is Dragunov.

ARCADE BATTLE

The complete Tekken™: Dark Resurrection arcade game! Start as a beginner with the aim of defeating all challengers and rising up through the ranks.

Select a character and get ready to fight! At the conclusion of each fight, a fighter's rank may increase or decrease depending on the outcome of the contest. "Fight money" will also be awarded depending on the outcome of the fight. A number followed by the letter 'G' will indicate how much fight money was earned. Fight money can be used to customise characters. For further details about customising characters, see the Customise section of this manual.

CHOOSING YOUR NEXT OPPONENT

At the end of each battle there is a choice of who to fight next. Three different fighters will be available and may have a high or low rank level. To choose the next opponent, wait for the 'choose your opponent' box to be displayed and simply highlight the desired opponent.

NETWORK

NOTE: the WLAN switch must remain in the ON position when participating in any of the Multiplayer Wireless (WLAN) game modes. If a user loses their connection, they will be disqualified from the session.

Online play is provided by NAMCO BANDAI Games Inc. and is subject to the end user license agreement available at www.tekken-official.jp/tkdrpsp/eula/

Before commencing play, press the HOME button to access the Home Menu, and select the "Settings" icon from the horizontal bar. Select "Network Settings", and then set "Ad Hoc Mode" to "Automatic". If the "Automatic" setting does not enable all PSP® users to establish a connection, all PSP® users should then select either "Ch 1", "Ch 6" or "Ch 11", so that each user is using the same Channel.

BATTLE LOBBY

Take the fight to a friend and compete in Wireless battles via Ad Hoc Mode. A list of opponents will be displayed in the Battle Lobby. Press **↑** or **↓** to highlight an opponent and press the **X** button to challenge them. If they accept, follow the on-screen prompts to select a character and conditions and get ready to fight!

GAME SHARING

One user (known as the "host") can temporarily transfer Tekken™: Dark Resurrection data via the PSP® system's Game Sharing facility. The receiver is not required to have a PSP® Game inserted into their PSP® system in order to receive Tekken™: Dark Resurrection content via Game Sharing.

The host must first select "Game Sharing" from the Network Menu to attempt to locate other PSP® systems, within a range of 10 metres, that are currently searching for Game Sharing data.

The receiver must select the  icon from the Home Menu and then select the Game Sharing icon to initiate the data transfer. Once both PSP® systems have connected wirelessly, the receiver should follow the on-screen instructions to send a request to the host. The Game Sharing transfer will commence once the request has been accepted by the host.

Once the transfer is complete, the receiver will be able to fight the host in numerous one-on-one battles. The receiver can terminate their Tekken™: Dark Resurrection session by either switching off their PSP® system or returning to the Home Menu. Any Game Sharing data received will subsequently be deleted.

NOTE: the WLAN switch must be set to the 'On' position on both the host and receiving PSP® systems.

DATA EXCHANGE

RANKING MERGE

Select Ranking Merge to enter the Data Exchange Lobby and exchange ranking data with other Tekken™: Dark Resurrection players. Press **↑** or **↓** to highlight a player to exchange data with and press the **X** button to select that player. Follow the on-screen prompts and the data will be exchanged between both PSP® systems.

SEND GHOST

Send previously saved Ghosts to other PSP® systems that have a copy of Tekken™: Dark Resurrection. Press **↑** or **↓** to highlight a Ghost and press the **X** button to begin sending it. The receiving system must select Receive Ghost from the Data Exchange Menu to receive the Ghost. For further details about receiving Ghosts, see the Receive Ghost section of this manual.

RECEIVE GHOST

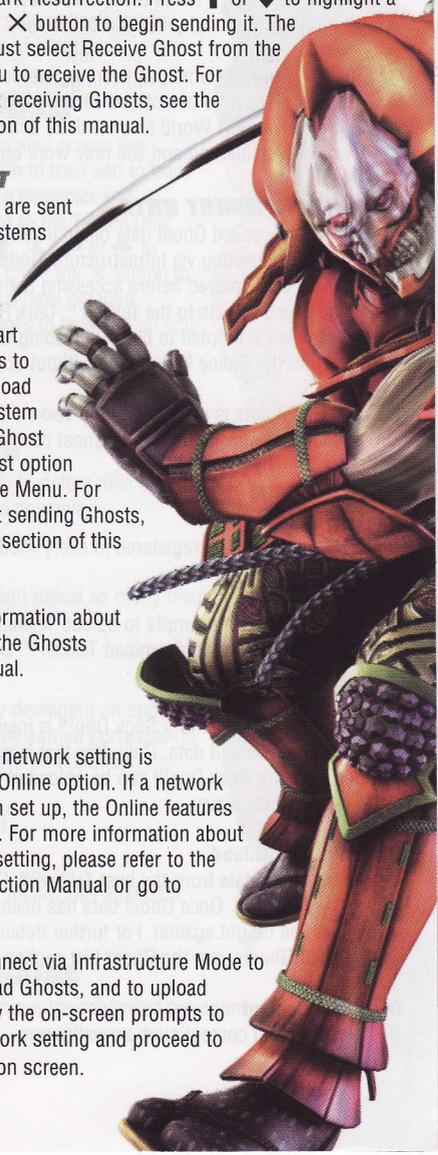

Receive Ghosts that are sent from other PSP® systems that have a copy of Tekken™: Dark Resurrection. Select Receive Ghost to start searching for Ghosts to download. To download a Ghost, another system must be sending a Ghost using the Send Ghost option in the Data Exchange Menu. For further details about sending Ghosts, see the Send Ghost section of this manual.

NOTE: for more information about Ghosts, please see the Ghosts section of this manual.

ONLINE

NOTE: a configured network setting is required to use the Online option. If a network setting has not been set up, the Online features will not be available. For more information about creating a network setting, please refer to the PSP® system Instruction Manual or go to yourpsp.com.

Select Online to connect via Infrastructure Mode to upload and download Ghosts, and to upload ranking data. Follow the on-screen prompts to choose a valid network setting and proceed to the online registration screen.

ONLINE REGISTRATION

At the online registration screen a World Name must be chosen and registered. Enter a name using the virtual keyboard and when happy, highlight End and press the **X** button.

NOTE: once a World Name has been registered it can not be altered and will have to be entered each time when connecting to the Online network. A World Name will be linked to the PSP® system it was created on and will only work on that PSP® system.

UPLOADING GHOST DATA

If there is newly saved Ghost data on an inserted Memory Stick Duo™ when connecting via Infrastructure Mode, an upload Ghost prompt may be displayed before accessing the Online Main Menu. To upload saved Ghosts to the Tekken™: Dark Resurrection server, select yes when prompted to begin uploading Ghost data. Select no to proceed to the Online Main Menu without uploading any data.

NOTE: if Ghost data is uploaded to the Tekken™: Dark Resurrection server, that data may be used in a 'Ghost download pack.'

ONLINE MAIN MENU

Ranking Update

NOTE: a score must be registered in every mode before a ranking can be created.

Follow the on-screen prompts to upload Tekken™: Dark Resurrection data and to download Tekken™: Dark Resurrection wallpapers and Ghost data.

NOTE: make sure a Memory Stick Duo™ is inserted before trying to upload or download data. Only data that is present on an inserted Memory Stick Duo™ can be uploaded to the Tekken™: Dark Resurrection server.

Ghost Pack Download

Download Ghost data from the best Tekken™: Dark Resurrection players in the world. Once Ghost data has been downloaded these Ghosts can be fought against. For further details about fighting downloaded Ghosts, see the Ghost List section of this manual.

Download Content

Download special content such as wallpapers.

NOTE: some content may have to be unlocked by competing in a Ranking Tournament before it can be downloaded. All uploaded ranking data will be entered automatically into a competition if one is in progress.
