WARNING: READ BEFORE USING YOUR PLAYSTATION® GAME CONSOLE.
A very small percentage of individuals may experience epileptic seizures when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or while playing video games, including games played on the PlayStation game console, may induce an epileptic seizure in these individuals. Certain conditions may induce previously undetected epileptic symptoms even in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition, consult your physician prior to playing. If you experience any of the following symptoms while playing a video game—dizziness, altered vision, eye or muscle twitches, loss of awareness, disorientation, any involuntary movement, or convulsions—IMMEDIATELY discontinue use and consult your physician before resuming play.

WARNING TO OWNERS OF PROJECTION TELEVISIONS:
Do not connect your PlayStation game console to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

HANDLING YOUR PLAYSTATION DISC:
- This compact disc is intended for use only with the PlayStation game console.
- Do not bend it, crush it, or submerge it in liquids.
- Do not leave it in direct sunlight or near a radiator or other source of heat.
- Be sure to take an occasional rest break during extended play.
- Keep this compact disc clean. Always hold the disc by the edges and keep it in its protective case when not in use. Clean the disc with a lint-free, soft, dry cloth, wiping in straight lines from center to outer edge. Never use solvents or abrasive cleaners.

This product has been rated by the Entertainment Software Rating Board. For information about the ESRB rating, or to comment about the appropriateness of the rating, please contact the ESRB at 1-800-777-3772.

Bond's Arsenal

In the course of your adventure you'll encounter a number of powerful foes and experience many high-risk sit-
tuations. To complete your assignment, you'll need to utilize every weapon and state-of-the-art gadget in your
inventory.

WEAPONS

- To select a weapon, press ▲, then D-Button ↓ to highlight the desired weapon.
- To use a weapon, press ◄.

Press and hold R1 to enter Sniper mode. Depending on which
weapon you are using, this allows you to zoom in for a closer
look at targets in the distance.
**PK7**
The PK7 is your standard issue firearm. It is reliable, efficient, and comes equipped with a silencer. The PK7 come equipped with an unlimited ammo supply.

**SNIPER RIFLE**
The Sniper Rifle is a precision-shooting device. Though somewhat bulky, it can be used to take down enemies from a great distance with its high-powered scope ability. The Sniper Rifle uses 10-round clips.

- When using the Sniper Rifle, press and hold R1 to enter Sniper mode. Then press ▲ to increase magnification or ▼ to decrease magnification.

**ASSAULT RIFLE**
This loud, but effective, automatic weapon is a favorite of Carver’s henchmen. Use it in situations where you must face multiple enemies and stealth is not required. The Assault Rifle uses 30-round clips.

**AUTO 9MM**
Similar to the Assault Rifle with one exception, the Auto-9mm is a handgun. The Auto 9mm uses 30-round clips.

**SMG 45**
The SMG 45 is a sub-machine gun offering the fastest fire rate in your arsenal. It uses 30-round clips.

**GAS BOMBS**
These chemical bombs create a small, poisonous cloud of smoke upon impact.

**GL 40**
The GL 40 is a grenade launcher that disperses contact explosives. The GL 40 uses a 12-round ammo drum.

**ROCKET LAUNCHER**
This high-powered, long-range weapon fires explosive rockets. It is an excellent choice for clearing out enemy turrets and roadblocks.

**INFRARED SNIPER RIFLE**
Similar to the standard Sniper Rifle, with the added benefit of an infrared scope. The range of this weapon is a bit shorter than the Sniper Rifle.

**STK MINES**
Also known as "sticky mines", these explosive charges are launched from a gun and cling to the target. Once in place, use the STK Detonator to set off the explosion.

**Gadgets**
As part of the MI6's double "O" division, you have access to some of the most technologically-advanced field equipment available.

- Use a gadget by highlighting it in the Items Inventory, then press □.

**LASER DESIGNATOR**
Use this compact unit to electronically paint a "hot spot" on a specified target and help air strike units hone in on the desired bombing location.

To use the Laser Designator:
1. Highlight the Laser Designator in your Items Inventory, then press and hold □. The targeting view appears.
2. Use the D-Button to target your "hot spot", then press R1 to signal the air strike.

**CUFF LINKS**
These seemingly harmless items contain powerful explosives and can be used to produce a powerful shock wave large enough to shatter 1" thick polycarbonate, bullet-proof glass.

**SATELLITE LINK CAMERA**
Used primarily in reconnaissance missions, this handy gadget digitally relays images to an MI6 satellite. In the process, a global position for a target can also be established.

To use the Satellite Link Camera:
1. Highlight the Satellite Link Camera in your Items Inventory, then press and hold □. The targeting view appears.
2. Use the D-Button to target your desired subject, then press R1 to snap the picture.

**FINGERPRINT SCANNER**
In some instances, the Fingerprint Scanner can be used to open locked security doors.
STK MINE DETONATOR
Used to detonate STK Mines. When the mine is in place, press □ to set off the explosion.

MED KIT
When used, a Med Kit partially replenishes your Health Meter.

OFT HINT
Search inside every barrel and crate to find extra Med Kits.

ITEMS
In addition to your variety of gadgets, there are also a number of useful items to be found in each mission. When collected, items are automatically applied to your inventory.
