## THE GAME

Chang's quest is to make his way through the beautiful, but complex Oriental maze in search of Princess Koong-Shee. On his way he will encounter sword-throwing Samurai Warriors as well as giants who guard the river crossings.

There are items to be collected on the way, including a key which gives Chang access to the Princess's hiding place and assorted items of treasure. When he has Princess Koong-Shee, Chang must race back through the maze, pursued by Li Chi, Princess Koong-Shee's furious father, until he reaches a boat, and safety.
