

JUST LIKE A
SPAGHETTI
WESTERN!

They don't come much tougher than you. Which is really lucky, because going after the four hardest, ugliest, trigger happy maniacs in the west, ain't a job for the weak! It's your job to "bring to justice" JACK NIKOLAT, CHARLES BRONKAN, CLINT WESTWOOD, and the **infamous** KODAK!!!

Cowboys and indians attack you at all times and can be shot. Guns can be found, and will give you better fire power. Ammo can also be found to replenish your dwindling supply of bullets. You must head for the railway line and stop the train the bad guy is on. You can shoot the bandits on the train, but watch out they shoot back. At the front of the train you have to shoot the emergency stop button. You must then confront the villain. Be quick!! Shoot him before he gets the chance to shoot you!!!
