GAMEPLAY

When the game has loaded press FIRE to play. Your F-16 will automatically take off and land at the beginning and end of each stage. You will have more than enough to do in the time in between! Shoot the enemy Migs and Helicopter Air Tanks before they get you as you negotiate four hazardous levels - SAHARA, TROPICAL, ARCTIC and OCEAN. Press CAPS SHIFT and P together to pause and restart the game.

LIGHTGUN CONTROLS - To move your F-16 in hairy situations simply shoot it with your lightgun and it will take automatic, intelligent evasive action.

JOYSTICK/KEYBOARD CONTROLS - you can use a compatible joystick or Keyboard using the following keys:

O - LEFT

P - RIGHT

Q - UP

A - DOWN

SPACE - FIRE
