THE GAME

The aim of the game is to reach the east side of each district. In the final level you must fight the notorious 'Curl', the feared leader of the 'Disciples' street gang.

The arm displayed in the top left of the screen relates to Mickey's strength. Mickey loses energy when attacked by a rival thug, punk or hood.

Mickey can fight back using the following joystick controls:

- LEFT: Mickey runs to the left.
- RIGHT: Mickey runs to the right.
- UP: Mickey will jump.
- DOWN: Mickey will duck.

(A weapon dropped by an assailant will be collected)

FIRE: Weapons may be used in all positions.

Mickey's rivals will occasionally drop their weapons, such as tear gas, knives, pistols and baseball bats. When collected these will renew his energy.

In the bonus level, you will be presented with four dustbins, press fire to open one of the bins.
