

Yogi's GREAT ESCAPE

Another winter has past, it's time for Yogi to wake and begin his annual hobby of relieving innocent campers of their picnic baskets.

A few days into the season, Ranger Smith receives a disturbing telephone call informing him that Jellystone Park must close and all the animals are to be moved to the zoo.

Yogi hears the news and he secretly decides that the only way to avoid being sent to the zoo is to escape from Jellystone Park.

When Yogi goes missing, a tracker and his faithful old dog are brought in to help with the search.

Playing the part of Yogi Bear, you must progress through various scenarios, avoiding obstacles and hidden dangers. If for any reason Yogi slows down, Ranger Smith and the tracker are sure to capture him and take him to the zoo.

LA GRANDE EVASION DE YOGI

Un nouvel hiver vient de se terminer, le moment est venu pour Yogi de se réveiller afin de se mettre, comme chaque année, à pratiquer son passe-temps favori, qui consiste à soulager d'innocents campeurs de leur panier de pique-nique.

Quelques jours après le début de la saison, Ranger Smith recoit un coup de téléphone inquiétant lui apprenant que Jellystone Park doit fermer et que tous les animaux doivent être transportés au zoo.

Yogi entend la nouvelle et décide en cachette que le seul moyen pour ne pas être envoyé au zoo est de s'échapper de Jellystone Park.

Lorsque Yogi disparaît, on fait intervenir un traqueur et son vieux chien fidèle afin de faciliter les recherches.

Puisque vous jouez le rôle de l'ours Yogi, vous devez participer à différents scénarios, en évitant les obstacles et les dangers cachés. Si, pour quelque raison que ce soit, Yogi ralentit l'allure. Ranger Smith et le traqueur le captureront pour l'emmener au zoo, c'est certain.

YOGI'S GREAT ESCAPE (LA GRAN ESCAPADA DE YOGI)

Ha pasado otro invierno. Es hora de que Yogi se despierte y empiece con su pasatiempo anual de robarles la merienda a los inocentes campistas.

Al de unos días de iniciarse la temporada, el guardabosques Smith recibe una llamada telefónica preocupante: le informan que hay que cerrar el Parque de Jellystone y llevar todos los animales al zoo.

Yogi, que oye esto, decide que la única forma de evitar el que le metan en un zoo es escaparse del Parque de Jellystone.

Cuando le echan en falta a Yogi le traen a un rastreador y a su fiel perro viejo, para ayudar en la búsqueda.

Tú haces el papel de Yogi. Tienes que pasar por varias situaciones, evitando obstáculos y peligros ocultos. Si por alguna razón Yogi va más despacio, el rastreador y el guardabosques Smith le capturan y le meten en el zoo.
