SUB LOGS

"No one knows how long they have been here, even old Albert don't recall 'em comin' an' 's reckons 's might be over 'undred. We didn't mind when they kept themselves themselves. I mean, all we want is a bit o' peace an' quiet an' leave to go about our business. We're simple folk 'ere in Little Bullford and we can't be doin' with magic an' spells. I never did 'old with folk meddlin' in things best left alone. We'd see 'em o' course, in the forest pickin' traditioons an' suchlike, or y'ings one would pop into Tubby Hakes shop for 'obs an' stuff, but by an' large they left us normal folk alone, and that's 'ow we like it.

They'd 'ad arguments before, we all know that. Well, readin' them magic books all day they can't be right in the 'ead can they? Anyway, two summers back, or maybe three (I remember because that was the year Albert's donkey died), old Leasoric (he's the older one I think), he turned 'is brother Leasie into a frog! His own brother! but he turned 'im back after a week an' at least they didn't bother us.

Two weeks back, all this changed; first the forest went quiet for a few days, not even a sparrin' 'areld to make a sound. Then the noises began, first shoutin' then all manner o' bangs, explosions and things best not thought about. Yesterday, old Leasoric apped an' left an' moved to another 'at on 'is father side o' village. Heik (Who knows 'em better's most, reckons they's about to start a leadin' an' we be like the poor soul who gets in their way." That's as maybe but there's strange things afoot in this 'ere village an' no mistake. It don't take no fancy book learnin' to figger we 'aint seen the last o' this, you mark my words."

## THE GAME

You take the role of Lassic and playing the game is simply a matter of moving through the Kingdom collecting ingredients to make spells. You are then able to mix these spells and use them against your opposing Wizard LEANORIC, but remember he is doing the same and is out to destroy you.

### LOADING INSTRUCTIONS

Press **PLAY** on cassette recorder. Hold down **START** button while switching on the computer. Press **RETURN**, program will now load.

### CONTROLS

Joystick only

### HINTS

#### Mixing Spells

Stand in front of your cauldron. Press fire button and move the joystick left and right to turn the pages of the spellbook. When the book is open to the required spell, release the fire button. If you have both the ingredients, this is shown in red lettering in the spell book, the spell will be mixed and you will be armed with it.

#### Casting Spells

To cast a spell you need to be armed with it. This is done at the mixing stage. Push the joystick up and release the button to cast a spell. Some spells may be used only once whilst others may be used a number of times. Different spells can be cast by turning the spell book pages whilst holding down the fire button, similar to mixing spells.

1. You can enter teleport at any time.
2. Offensive spells (Sprites, Fireball, Lightning) can be dodged, but you cannot simply run away from the attack ... You are not a coward.
3. Villagers and Travellers can be changed into Zombies  
Villagers being of low intelligence are more susceptible to orders when in a Zombie state and will walk in the direction you indicate but won't leave the limits of their own territory.
