

# THE GAME

Four months of bloody alien attacks have taken their toll – all the surviving inhabitants have fled and arson attacks have been made on your weapon stores, they destroyed what they could not carry away. You are left alone armed with a single machine gun.

You live on your nerves and let your trained instincts take over – prepare to shoot on sight.

As you progress through the 5 levels of enemy defenses the alien become more blood-thirsty and turn what were once your own rockets and grenades against you.

Take cover behind the trees, houses and fences but don't stop for too long or you'll find yourself surrounded. The alien are ruthless and the fighting bloody but you must survive.
