

The background of the cover is a dynamic illustration of a boxing match. A boxer with blonde hair, wearing red boxing gloves and red trunks, is shown from the back, throwing a powerful right-hand punch towards his opponent. The opponent, wearing blue trunks and red gloves, is being hit and is recoiling. The scene is set in a boxing ring with blue ropes. The background is dark and moody, with some light reflecting off the boxers' skin and the ropes.

In one player mode you are placed against five of the worlds greatest boxers: Easy Eddie, Mild Mike, Tricky Tim, Tough Ted and Killer Kev. You must defeat all five opponents to become the boxing champ of the world.

Pro Boxing is an extremely accurate simulation. All of the official boxing moves are allowed including jabs, body punches and upper cuts, however, it is also possible to use a few unofficial boxing moves including kicks, head butts and groin punches. Use these moves wisely, the referee only has to catch you 3 times and you will be disqualified.
