

5th Gear

Copyright/Publisher: Hewson, Release Year: 1988,

Categorie: Vehicle Overhead, Number Of Players: 1

INTRODUCTION

You participate in an illegal car race in which you are allowed to use every possible method to win. Drive straight forward until you see the sign "TURN HERE", then turn and rush back. Try to shoot down every vehicle you meet along the road to score points, but watch out for helicopters and enemy fire. If you succeed in surviving a race you earn money, that you can spend in several shops along the road by buying weapons, special functions, fuel or even a new car.

CONTROLS

Joystick in Port 2 only.

UP - Accelerate

DOWN - Brake and Reverse

LEFT - Steer left

RIGHT - Steer right

FIRE - Use weapons:

machinegun

missiles

turbo boost

FIRE - Enter shop

SPACE - Select weapon

At the beginning of the game you have:

- 5 Cars

- 10.000 Dollars

- a machinegun which enables you to destroy enemy cars and boats.

Time:

- race 1: 5.0 minutes

- race 2: 5.5 minutes
