

PACMANIA

You have the following choice and may pick any combination.

KEY CONTROL: You may define your own, eg. when "up" appears on the screen, the key you press will control upward movement.

Specific Difficulty 1 - 3 Speed 1 - 3

Size of Maze 1 - 3

VISIBLE OR INVISIBLE MAZE: Press "V" or "I"
STILL OR MOVING POWER PILLS: Press "S" or "M" When the options have been chosen, the random maze will appear almost immediately.

DOTS are worth 25 points CROSSES are worth 50 points The quicker you eat a ghost after eating a power pill, the more points you get. The first screen has 1 ghost, the second 2 etc. You start with three lives and get one extra every 10,000 points.

Press "F1" to turn the sound on or off.

Press "F7" to halt the game until another key is pressed.

GOOD LUCK!
