

MAYA

EDWARD HALIFAX DEAD - The body of the famous archeologist was discovered yesterday in the Yucatan Jungle. The cause of death is as yet unknown. The ageing scientist disappeared more than three years ago with an old parchment believed to have belonged to the maya proving the existence of a mysterious fetish.

Professor Michael Fairbanks, Halifax's young pupil has taken the first flight to Mexico with intentions of continuing his teacher's work. However, we have just learnt that Doctor Olnik Karloff, a known rival of Fairbanks has also recently disappeared. It is understood that Karloff was interested in the recently departed archeologists work also ... I Tuscar, the last great priest of the sun intend to leave this earth to rejoin my glorious ancestors. All the riches of our departed people, I have buried in many secret locations for their return. The treasure will attract many worthless people, may they all die like the common scorpion. There is one who can reconstruct the broken fetish by himself and he will inherit the fabulous riches of the mayas.

I Tuscar, the last great priest of the Sun intend to leave this earth to rejoin my glorious ancestors.
All the riches of our departed people, I have buried in many secret locations for their return.
The treasure will attract many worthless people, may they all die like the common scorpion.
There is one who can reconstruct the broken fetish by himself and he will inherit the fabulous riches of the Mayas.

Ich Tuscar, der letzte hohe Priester der Sonne beabsichtigt diese erdodie Erde zu verlassen und meinen glorreichen Ahnen beizuwohnen.
Alle Reichümer unserer Ahnen wurden von mir für ihre Rückkehr an geheimen Stellen verborgen.
Der Schatz wird viele wertlose Menschen anziehen umgeben sie alle sterben wie der gewöhnliche Skorpion.
Es gibt nur Einen der den gebrochenen Fetisch wieder herstellen kann und er wird die fantastischen Reichümer der Maya erben.
