**HANDLING YOUR SATURN DISC**

- The Sega Saturn disc is intended for use exclusively with the Sega Saturn™ system.
- Do not bend it, crush it, or submerge it in liquids.
- Do not leave it in direct sunlight or near a radiator or other source of heat.
- Be sure to take an occasional recess during extended play, to rest yourself and the Sega Saturn compact disc.
- Keep your Sega Saturn compact disc clean. Always hold by the edges and keep it in its case when not in use. Clean with a lint-free, soft dry cloth – wiping in straight lines from center to edge. Never use solvents or abrasive cleaners.

**WARNING TO OWNERS OF PROJECTION TELEVISIONS:** Still pictures or images may cause permanent picture-tube damage or mark the phosphor of the CRT. Avoid repeated or extended use of video games on large-screen projection televisions.

This product has been rated by the Entertainment Software Rating Board. For information about the ESRB rating, or to comment about the appropriateness of the rating, please contact the ESRB at 1-800-771-3772.

**WARNING: READ BEFORE USING YOUR SEGA™ VIDEO GAME SYSTEM.**

A very small percentage of individuals may experience epileptic seizures when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or while playing video games may induce an epileptic seizure in these individuals. Certain conditions may induce previously undetected epileptic symptoms even in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition, consult your physician prior to playing. If you experience any of the following symptoms while playing a video game—dizziness, altered vision, eye or muscle twitches, loss of awareness, disorientation, any involuntary movement, or convulsions—IMMEDIATELY discontinue use and consult your physician before resuming play.

STARTING UP

1. Set up your Sega Saturn™ system as described in its instruction manual. Plug in Control Pad 1. If you wish to play a two player game, plug a controller into Control Pad 2.

   NOTE: Street Fighter: The Movie™ is for two players.

2. Place the Street Fighter: The Movie™ disc, label side up, in the well of the CD tray and close the lid.

3. Turn on the TV or monitor and the Sega Saturn™. The Sega Saturn™ logo appears on screen. (If nothing happens, turn the system off and make sure it is set up correctly before turning it on again.)

4. If you wish to stop the game in progress or the game ends, press the Reset Button on the Sega Saturn™ console to display the on-screen Control Panel.

   Important: Your Sega Saturn™ CD contains a security code that allows the disc to be read. Be sure to keep the disc clean and handle it carefully. If your Sega Saturn™ system has trouble reading the disc, remove the disc and wipe it carefully, starting from the center of the disc and wiping straight out toward the edge.
Colonel Guile and his army have fought the Shadaloo organization to a standstill. Following their activities closely, Guile was finally able, after a terrific battle, to destroy their drug connections, capture many of the leaders, and liberate the city. However, the battle is not over yet. Bison has taken his revenge by kidnapping members of Guile's army and is demanding a huge ransom for their safe return. Guile knows he has only one chance to rescue the hostages and end the Shadaloo menace for good, and that is by destroying Bison himself. The Street Fighter championships are being held shortly. General Bison will be in the contest. And so will Guile...
JEAN-CLAUDE VAN DAMME
(COLONEL GUILE)

Behind this cool exterior lies a body toned by years of Martial Arts training. With karate as a base, Van Damme has perfected his techniques, bringing him amazing popularity and top billing in many films.

Born in Belgium, Jean-Claude Van Damme decided at an early age to hone his sense of movement and power by practicing ballet and karate. He became a European Middle-class karate champion at the age of 15, and started his own training gym three years later. Moving to Hollywood to try to fulfill a dream of being a Hollywood star, he struggled with the language barrier and the competition to finally gain fame in the film "Bloodsport."

OTHER MOVES

*GUARDING
Press the D-Pad left to ward off blows.

*DEFENSE
When caught by your opponent, this is your best chance to break the hold.
Press the D-Pad left, then press and hold the punch buttons.

*THROWS
Move in close to your opponent, press the D-Pad left or right and press and hold the Z button to do a throw.

PUNCH BUTTONS

Medium Punch

Strong Punch

Light Punch
*KNOCK-OUTS*

When you take a severe beating and pass out, press the D-Pad left/right and press the punch and kick buttons repeatedly to get up faster.

Light - Lets you punch or kick repeatedly.
Medium - In between a light and a strong punch or kick.
Strong - Lots of destructive power, but leaves you open to attack.

*These button commands are set at the default settings. You can change these settings in Option mode.*

**STARTING UP**

Press the START button at the Title screen to bring up the Game Mode Selection screen. Move the cursor to the mode you wish to play in, and press the START button.

**MOVIE BATTLE**

This mode follows the storyline of the "Street Fighter" movie. You play as Colonel Guile, communicating with Lieutenant Cammy as you search for General Bison's hideout and guide the allied army to victory. During the game you have to make selections in various situations. Listen carefully to Cammy's advice and make your decisions. The way the story develops and the enemies that appear depend on the decisions that you make. Take too long fighting one enemy and you may fail, so use careful judgment.
STREET BATTLE
In this mode you choose one of 14 characters and fight the other characters in turn. Move the cursor to the character you wish to play at the Character Select screen, and press the START button. The game then begins.

VERSUS BATTLE (FOR 2 PLAYERS)
In this mode you take on a friend for sizzling versus play. You choose a new character each time you start a new match. Both players can choose the same character. In this case, the characters are different colors.
You can set a handicap and choose the fighting stage before beginning a match. At the end of a match the fighting results will be displayed, and if you entered your name you can save match data.

TRIAL BATTLE (FOR 1 PLAYER)
This mode lets you try out the different characters and view match data. Choose one of 14 characters and fight the other characters in turn. In this mode you cannot change the difficulty level or use Continues.
OPTION MODE

Select Options at the Game Mode Selection screen to enter this mode. You can change the level of difficulty of the game, the button arrangement of your controller, turn the time limit on or off, and set the game to stereo or mono sound.

Difficulty level: The difficulty level can be adjusted from Easy (one star) to Hard (eight stars).

Time limit: Yes/No

Sound mode: Stereo/Mono

Button arrangement: Configure your controller to suit your taste.

SUPER COMBO GAUGE

Your Super Combo gauge increases when you use special attacks.
1. When the gauge is half full, some of your special attacks will become even stronger and change into super attacks. Use the special attack command and hold down more than 2 buttons at the same time to see whether a particular special attack will change into a super attack. The gauge goes down 50% each time a super attack is used.

2. When the gauge reads SUPER, you can do Super Combo attacks using the Super Combo commands. The gauge goes down to zero when you use one of these attacks. If you use a super attack when the gauge is at maximum, it won’t go down at all.

RULES

MATCH CONFIGURATION
There are three rounds of 99 seconds each. (You can set the game to have no time limit in Option Mode).

WINNING A ROUND
When your opponent’s life meter runs out and s/he can no longer stand up, it is counted as a K.O. and you win the round. If there is no winner before time runs out, the player with the most life remaining will be declared the winner of the round.

TIED MATCHES
If the match is tied, there will be a final round to decide the winner. The winner of that round wins the match. If this round is also tied, the game ends in a draw.
BACK-UP MODE

You can use Back-Up Mode to check and manage battle data from the different game modes.
Select BACK-UP from the Battle Select screen to go to the Back-Up Menu screen.
You can choose from the following items:

STREET SCORE
Shows your Street Battle ranking.

VERSUS SCORE
Lets you check battle data from Versus Mode.

TRIAL SCORE
Shows the top scores from Trial Battle Mode for each character. Use the D-Pad to select the character whose score you want to see, and press the START button.

CLEAR DATA
Clears Versus Battle data from memory. Press the D-Pad up/down to select the data you want to clear, and press the START button. The CLEAR? message will then appear on screen. Select YES to clear the data.

ALL CLEAR
Clears all stored data from memory. The CLEAR DATA? message will appear on screen. Select YES to clear all data.
VERSUS BATTLE NAME ENTRY

When you select Versus Battle Mode, ENTER NAME? appears on screen. Select YES to move to the Name Entry screen. You can input a 1P and 2P name of up to four letters using the following commands.

D-PAD: Select letters.
A BUTTON: Set letters.
B BUTTON: Cancel/Remove letters.
START: Set name.

Once you’ve set the name(s), the Player Select screen appears, and the game begins.

SAVING VERSUS BATTLE DATA

Once you’ve input a name and the game begins, you can save battle data at the Versus Option screen. To move to this screen, press the C button at the Results screen that appears at the end of a match. Choose DATA SAVE from the menu to go to the Select Data screen, and choose the number of the data that you wish to save with the D-pad. The SAVE? message will then appear on screen. Select YES to save the data.

READING VERSUS BATTLE DATA

To read Versus Battle data, choose Versus Battle Mode and select YES when the DATA LOAD? message appears on screen. At the Select Data screen, choose the number of the data that you wish to read with the D-pad. The LOAD? message will then appear on screen. Select YES to load and read the data.

To use the Back-Up function of this game you need to have one block of memory free. If the power is switched off or the Reset button pressed when you are saving data, the data you are saving may be lost.

*You need to have the special Memory Card (sold separately) to use the Back-Up function.

Take a look at all the Street Fighter™ scores while the characters show off their stuff for you!

BECOMING THE STREET FIGHTER™ CHAMP!
The three following indicators give you the best idea of how you're doing:

AGGRESSIVENESS
Never give up. Think positively. And take the fight to them.

COMPLETION

MASTERY
How well you use your techniques is how well you score.

POWER POINTS
TECHNIQUE = MASTERY
Each fighter has his or her own style, pace and special techniques. Unless you know exactly what you can do, you don't stand a chance against your opponents.

THE TRUTH ABOUT THE FINISHING BLOW

The truth is that your special techniques can deliver the knockout blow and bring you the championship. They can also leave you open to your opponent's special attack if you miss your chance. Use your special attack only when you know you have your opponent at the right place to deliver the finishing blow on target.

THE SUPER COMBO FINISH
You have your opponent on the ropes, and now it's time to end the match in style. Use your Super Combo to show them all that not only do you have the speed, power and grace, but the thirst for glory it takes to be the Street Fighter™ Champion!
