

ANGLER - VIRGIN GAMES

INSTRUCTIONS

- * You will be invited to select the levels of difficulty. This determines how close your hook must be to a fish to catch it. You have only 100 casts to catch as many fish as possible.
- * Controls:
Press 5 to move boat left.
Press 8 to move boat right.
Press any other key to cast your line.
- * The hook will continue to drop until either you release the key, the hook hits a fish, or it reaches the river bed.
- * Additionally, if you have a printer, you may print out the Hall of Fame and Certificate of Merit. The on-screen instructions will prompt you for this requirement.

[Picture of Dirk Oliver]

- * Dirk Oliver was born in 1946 in Porthcawl. He left school at 16 to take an apprenticeship in a major steelworks and qualified as an electrician at the age of 20.
- * In May 1982, he bought a second-hand ZX81 and taught himself programming from scratch. This turned out to be a fairly lengthy process but by the following year he had bought himself a Spectrum and has never looked back.
- * Dirk is married with four children, all of whom show a great interest in computers and games. Apart from programming, his interests include photography, driving and citizens band radio.
