

Atom Ant (Hi-Tec)
Typed up by Blughes

The Mayor has received a vicious ransom note from 'Mad Dog Jackson' -the big boss of the city's deadliest gang. He has threatened to blow some of the city's most treasured buildings to smithereens unless the sum of one million pounds is paid to him. Once again it's time for our favourite super-hero, Atom Ant, to leap into action and save the city from destruction.

He must find and disarm numerous bombs using his atomiser. These are planted on various buildings throughout the city, but beware, the bosses hired hands are close by.

Save the city and be a hero forever.

Good luck!!
