

KNIGHT DRIVER

LOADING THE CASSETTE

To load the program connect your cassette player to the Spectrum in the usual way. Place the cassette in the player and rewind it if necessary. Type LOAD " " on the Spectrum keyboard, press the ENTER key and then press the play button on the cassette player. Wait a few minutes and the game menu will appear on your television display.

SCENARIO

Take the controls of your car and drive it skillfully around the circuit. Accelerate, decelerate, turn accurately left and right.

CONTROLS

Select P (professional — lose one of your five lives each time you veer off the road), L (learner — no lives lost but your running time is limited) or A (automatic — watch the computer drive the car).

FUNCTION

Turn left
