

REALM OF IMPOSSIBILITY™

To Start

Disconnect microphone lead at each end. Connect joystick interface. Turn on computer. Insert cassette. Type LOAD "". Press ENTER. Press play on cassette. Program will load and run automatically. If program does not load, rewind cassette, adjust volume and repeat instructions.

To Access Dungeons

The Dungeons are arranged sequentially on side 2 of your cassette. If Dungeons are played in sequence you must remember to turn off your cassette deck when the title screen appears, after each Dungeon has loaded. If Dungeons are played out of sequence you must rewind the cassette to start of side 2 and press play for each Dungeon required.

To Choose Game Options

Press 1 to select your level of difficulty. You can choose from easy, medium, hard and severe. Press 2 to select 1 or 2 players cooperatively. Press 3 to call up dungeon select screen.

Special Keys

Press 3 to return to title screen.

Press T to freeze and restart game action.
