Go Down	DOWN	DOWN
Cast LIGHTNING!	FIRE	FIRE
Keyboard	DEFINE YOUR KEYS	
P:	Pause	

Press keys 1-7 while in pause mode, this will change background colour. Any other key will continue the game.

HINTS AND TIPS:

- Avoid any contact with Monsters, this will drain your strength.
- You can climb up the trees from behind.
- Use vanish spell wisely.
- You may need to jump across ledges going back several screens to collect all the MAGIC EYES.
- Monsters on later levels breath fire, these are especially deadly.
